

Indirect Adiabatic and Evaporative Cooling

EXCOOL HISTORY

2016 Excool GmbH wins at the German Data Centre Award, category data centre cooling

2015 Excool installed in Docklands 5,4 MW multi-storey / 7 floor building

2015 Establishment of Excool GmbH in Germany

2014 BRILL award from the Uptime Institute using Excool's cooling technology

2014 Excool installed in data centres totalling in excess of 100 MW plus installations in Norway and Sweden

2013 Excool awarded contracts for on-going 46 MW data centres

2012 Excool installed on 6 MW data centre in The Netherlands

2011 Excool installed on 9 MW data centre

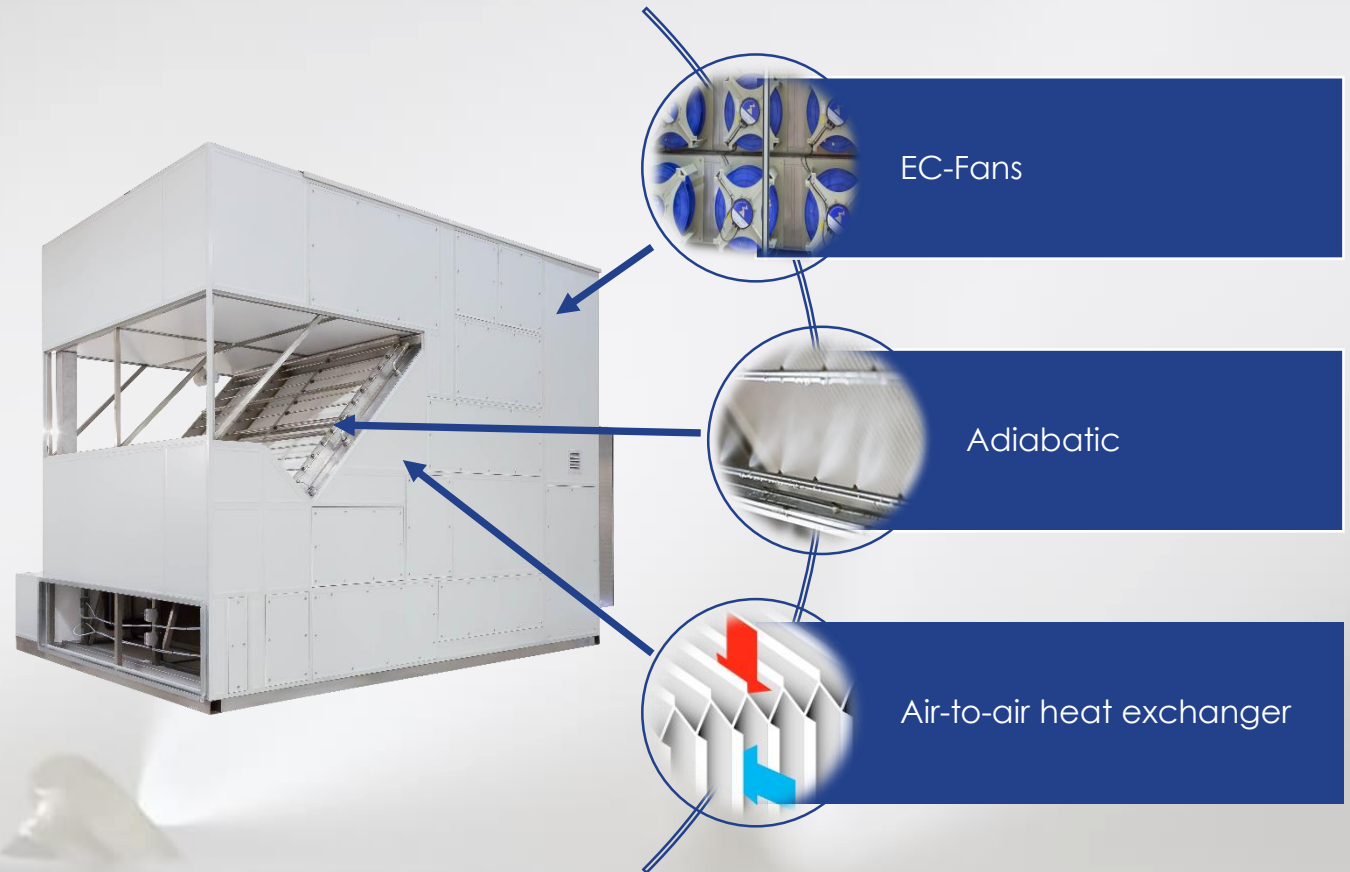

2009 Test Laboratory opened / Working prototype

INDIRECT ADIABATIC AND EVAPORATIVE COOLING

Product Facts:

- Compressor less cooling
- Indirect cooling
- pPUE < 1,05
- Low water usage
- Using untreated portable water
- Unit range (60 – 400 kW)
- High availability
- Modular and compact design
- Integrated System
- Award winning technology

Thank you for attention!
