

# EPI Data Centre Training & Certification

**DANISH  
TECHNOLOGICAL  
INSTITUTE**

## **Definition Wikipedia:**

**Something is "hyggelig" when there is a feeling of security, comfort, familiarity or such as "sheltered", "intimate", "cosy", "in the familiar home"!**

- **Your new projekt?**
- **Your new job?**
- **Your new team?**
- **Your new management function?**

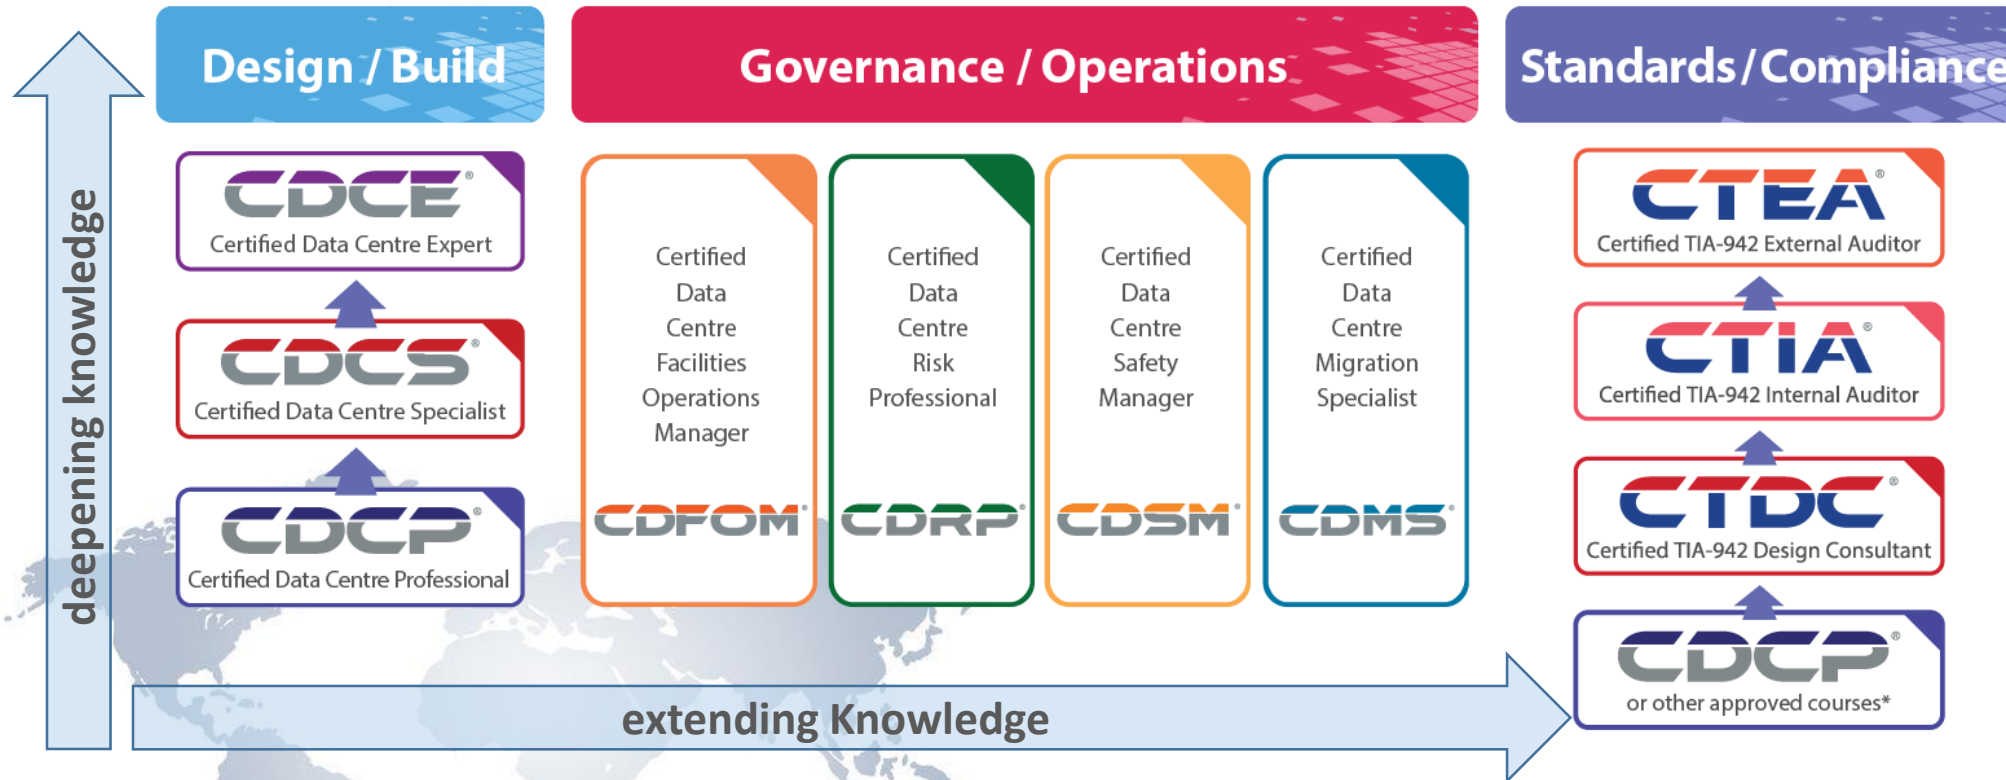

## Data Center Training

- ✓ increases compliance in the data center
- ✓ leads interdisciplinary projects to success faster
- ✓ reduces the frequency and cause of errors
- ✓ creates employee loyalty despite a shortage of skilled workers

# 30 Years Competence!

- ✓ EXIN-Revision on training content
- ✓ DC-veterans become EPI-Trainers
- ✓ Accreditation by EXIN ensures quality and impartiality
- ✓ Closed XING-Group to promote transfer
